Fellow Member of the Transportation Industry,

On behalf of the American Society of Highway Engineers (ASHE) San Antonio Section, we would like to invite your firm to participate in our **2025 – 2026 Sponsorship Program**.

As we enter our next year, our Section's objective is to continue to gain significant presence in the Greater San Antonio Area transportation industry by providing a forum for members and partners of the industry to support education, innovation, and fellowship in this field.

We offer a variety of annual sponsorship packages to allow you to select the benefits that best meet the needs of your firm. Benefits included in sponsorship packages range from online promotion to contributions to our scholarship program.

We also encourage your employees to become active members of ASHE to take advantage of the many opportunities that our organization offers to aid in their professional and technical growth. Memberships are also available independent from and in addition to those included in Sponsorship levels.

The following page details the varied levels of sponsorship package and individual memberships for selection.

We thank you in advance for your support and we look forward to seeing you at the next event.

Sincerely,

Travis Owens
President

Anna Whiting
Director, Sponsorship

Questions on Sponsorships?

Contact Anna Whiting: anna.whiting@ttlusa.com

Questions on Memberships?

Contact Azamat Kasymov: azamat.kasymov@aecom.com

Note: In the event of a change in firm affiliation, an individual's membership will remain with those designated on the company's sponsorship form for the remainder of the organization's FY. Notification of firm change is required by members with renewal required at the beginning of the next FY.
